PRESIDENT'S REPORT

November 2008

It is time, yet again to reflect back over the past year.

We ran our first event after EI last March and in spite of the extra travel forms, etc. to be filled in, there was a good turn up with everyone well and truly looking forward to a return to competition.

We find that our website has proved popular for downloading event schedules and entry forms and we must thank Joyce and Suzie Laidler for taking on the duty of keeping this up to date.

Our Championships this year were very successful with an abundance of prizes mainly because Matt Haines, our sponsorship person, worked very hard and sponsors were very generous (we give them free ads in Newsletters, etc. plus in the programme). Matt is leaving us and moving to Melbourne so he will certainly be missed.

Diedre has struggled to find pencilers at times. If you know anyone who would like to come on the "paid" pencilers list (\$60 for a whole day, \$30 for half a day) please contact Diedre. We have had to resort to paying as we cannot seem to attract voluntary helpers. Of course this remuneration is entirely dependent on our finances in the future. It is also recommended as from January 1st that we pay an honorarium to judges of \$25/hour or \$10/day (which ever is the greater), on top of the 40cents/km traveling allowance. This will also put up our running costs but we fight to keep our entry fees as low as possible. There is now an annual volunteers award offered by the EFA so be quick if you want to volunteer someone this year.

Membership is due on 1st January. This covers you for insurance and the receipt of 6 Newsletters a year, discounted entry fees, points towards Annual Awards (which can only be won if you are financial). We have about 230 financial members at the moment.

We have just held our 2008 AGM and dinner. There were over 50 people who turned up, some to receive their Annual Awards and everyone seemed to enjoy the evening. We must thank Ruth for her exceptional organizing skills.

Lastly, I wish to thank all the Committee, on your behalf, for working tirelessly to produce well run events. Now, please, seriously think whether you could come on to the Committee in the future as events **cannot be run without help.**
